**Michigan State Parks
Mini-Cabins**

Mini-Cabins

Michigan State Parks and Recreation Areas have more than 55 mini-cabins available for rent in parks across the state. The mini-cabin is smaller than the rustic cabin and is located on a campsite within the campground.

Occupants of the mini-cabins also have access to all the conveniences found in the campground, such as modern toilets and shower facilities, water fountains and electricity, on a seasonal basis. Call the park during off-season to check. Mini-cabins with access to barrier free toilet facilities, also meet barrier free accessibility guidelines. Mini-cabins are designed to sleep up to 4 persons with bunks and mattresses being provided. Mini-cabins also contain a small table inside and have a picnic table and fire circle outside.

You must bring bedding, cookware, and tableware. A first-aid kit, lanterns, flashlight, axe or hand saw, and a portable stove are recommended.
